Dear Don:

Thank you for writing to me about the 20th Century Veteran's Memorial Monument. I have seen Jay Tschetter's work, and he is a fabulous artist. I'm sure the monument will be an incredible memorial to Veterans, and something for which North Platte can be very proud.

Please contact my office again, once more detailed information about the fundraising event you are planning to hold in North Platte is finalized, including the date and time. Once that information is received, we will review my calendar to see if it will be possible for me to be there.

Again, thank you for your letter and best wishes as you continue to work on this very worthwhile project.

Sincerely,
